

ADAIR COUNTY EXTENSION HOMEMAKERS
December 2022

Dylan's Corner

Christmas is my favorite time of year. I think the holiday can bring the best out in people, and it may be one of a couple times of the year you see distant family and relatives. I, myself, enjoy driving and seeing the lights on peoples houses. Whatever you enjoy about the holidays, I hope you receive plenty of it this Holiday Season.

On December 20th, at noon CST Dr. Julie Zimmerman will be at the office presenting on the Rural Price Project. The Rural Price Project was a project Adair County Homemakers participated in several years ago, but due to COVID Dr. Zimmerman was unable to present her findings. The project centered around the question: "Is it more affordable to live in the country or the city?". She would love for all Homemaker members to be present to hear her findings and come full circle with the program. I will be ordering lunch for all in attendance, please call the office by December 19th at 12:00PM CST to RSVP to ensure plenty for everyone.

The Holiday Bazaar was a huge success. We had approximately 200 visitors and over 20 vendors in attendance. Thank you to the Homemaker Bazaar committee, coffee bar workers, and other volunteers for helping to make this a success. We look forward to seeing everyone out again next year on Saturday, November 18th 2023.

When you visit the office in January a new face will greet you. We are pleased to announce Maggie Wells has accepted the job of Staff Assistant at our office. Maggie's first day is scheduled for January 3rd, 2023.

Our office will be closed from December 23rd, until January 3rd for the holidays. Once we returned in January, I will begin getting more exciting programs for you all scheduled. If I do not see you again until the new year, Merry Christmas.

Happy Holidays
